

Delores Bulych: SAHO's offer very disappointing

February 19, 2010

We are very disappointed with SAHO's final contract offer. It is very disrespectful and belittling as we are the front line workers – the first ones patients and residents see in the morning and the last ones they see at night. SAHO should realize that we health care professionals care about the residents. It's more than just a job.

SAHO needs to get back to the bargaining table.
