

Attention CUPE Members

THE EMPLOYER IS REQUIRED TO PAY YOU FOR ALL OF THE TIME YOU ARE REQUIRED TO WORK

For example, if you work in Home Care and are required to report in by phone prior to the start of your shift to retrieve your daily work assignment, the Employer is required to pay you for this time.

Add this time to your time sheet (it may be overtime or regular time), or tell your Manager you will call-in only- at the start of your shift.

KNOW YOUR RIGHTS! Read 27.02 a) and b) of your CUPE/SAHO collective agreement.
