

BARGAINING COMMUNIQUÉ

BARGAINING COMMUNIQUÉ #16 AUGUST 26, 2005

The Bargaining Committee met with SAHO and employer representatives on August 23rd, 24th and 25th. The parties discussed hours of work, relief language and portability of benefits at length.

The Union presented SAHO with amended language on the entire Article 26. SAHO will respond at the next negotiation sessions in September.

We are currently having discussions with SEIU and SGEU concerning common table issues. We met with them on August 22nd in Saskatoon and committed to further common meetings and discussions. We also hope to solidify dates for common table negotiations with SAHO in the near future.

CUPE's next negotiating dates are scheduled for September 7th, 8th and 9th in Regina.
