

Health Care Providers' Week

Health care providers make a vital contribution to our health care system.

The 12,600 health care providers represented by CUPE include:

special care aides, home health aides and licensed practical nurses,
dietary staff, medical technologists and technicians,
housekeeping and laundry aides, clerical and maintenance staff,
therapeutic and recreation workers.

Show your appreciation during

Health Care Providers' Week • October 24 – 31

CUPE / Canadian Union
of Public Employees
